

Cherry Run SCA

Sock-tember September 27-30

Donate NEW socks to benefit our neighbors through ECHO. The most requested item in homeless shelters is socks. Having a good pair of socks can really help you get through the day better.

ECHO requested ankle socks for adults and any socks for kids.

Bring socks to school September 27-30 and leave them in the bins in the front hall or cafeteria. Feel free to bring more than one pair!

Thank you so much!!
